

# ENDANGERED SPECIES

EES Consulting staff has been addressing issues related to Sensitive, Threatened and Endangered (STE) species for nearly 20 years. We keep current on all status reviews, listings, and recovery plans for species proposed or listed through the Endangered Species Act (ESA). EES Consulting staff has

authored Biological Assessments (BA) and Biological Evaluations (BE) that have been accepted and adopted by the federal government under the auspices of the U.S. Fish and Wildlife Service and the Federal Energy Regulatory Commission (FERC).

## SERVICES PROVIDED

- ESA consultation
- Agency and tribal consultation
- Project scoping
- Habitat assessment
- Habitat restoration
- Species inventories
- Field investigations
- BA/BE preparation
- EIS consultation and preparation
- Mitigation plan development
